

LIBERTY COVID GUIDELINES

We are so excited to be meeting IN PERSON again. Please know that we are doing our best to create a safe, clean environment for you and your family when you are at church. We are diligent in our effort to keep track with government and health guidelines, and we will make changes to our church recommendations as appropriate.

Unfortunately, our children's church is not open at this time, and we do not anticipate that we will be reopening our children's church any time soon. We are disinfecting the church before service and immediately after service. This includes wiping down the restrooms, door handles, light switches, tables, and any other surface areas that were used. We also have hand sanitizer throughout the building for you to use and we encourage you to bring your own hand sanitizer or hand wipes.

We strongly encourage those in the high-risk, vulnerable population to stay home and worship with us online at the links below. We ask that everyone who comes to in-person services at the church building practice the following CDC health recommendations:

1. **Stay home when you are sick.** If you have had a **fever of 100.4** or more in the past 48 hours, or if you have had any of the following symptoms, **cough, chills, shortness of breath or difficulty breathing, muscle pain, sore throat, or loss of taste or smell**, please stay home and worship with us online.
2. Cover your coughs and sneezes with a tissue, then throw the tissue in the trash.
3. Wash your hands often with soap and water for at least the recommended 20 seconds.
4. Avoid touching your eyes, nose, and mouth with unwashed hands.

We are committed to helping all of our church members as best we can as we navigate this situation together, so please let us know if you have any questions or if you need anything. We love you and we are here for you whether you join us in person or online.

Sunday Service @ 10:50am

(In-Person & Online)

Liberty Baptist Church – 1232 Anderson Avenue, Augusta, GA 30901
